GA Contributes to Two Important Charities

Rockville, MD – June 26, 2020 – In this challenging year, Greenberg Advisors (“GA”) recognizes that many people are truly struggling financially, health-wise, and otherwise. As a result, GA has made contributions to two organizations that are critical to the issues all-too-frequently faced in 2020; the American Civil Liberties Union (“ACLU”) and the United Way of Morgan County (Colorado).

The United Way of Morgan County was selected as a result of a survey conducted by Greenberg Advisors that was completed in June of this year in which GA selected, via raffle, one participant’s choice of a charitable entity performing work to help those suffering from the COVID-19 pandemic. The ACLU was selected because GA believes that all people are created equally and that they deserve to be treated equally in all respects.

Brian Greenberg, CEO of GA, commented “We couldn’t be more proud to support these organizations. They provide help to those in need and we are grateful for all that they do.”
